Dear Mr. Malone:

On November 30, 2020, the Environmental Protection Agency (EPA) issued a final order under the Clean Water Act (CWA) requiring the closure of the Calaveras Power Station (CPS) until May 26, 2022, and the Sludge Recycling Holding Pond until September 1, 2023, pursuant to the alternative closure provision 40 C.F.R. § 257.103(f)(1). EPA has not made any decision on whether to approve your request. The decision will be made after further review to make such a determination. After this review, EPA
